HOPEING FOR THE BEST OR CHOOSING THE BEST OPTION?

We know that you work hard to achieve your personal and business Next and we support you each step of the way. With this in mind, keeping your valuable assets and documents safe from loss or damage is a crucial part of your Next.

That's why we offer you a Safe Custody service, where your valuables can be stored on our bank premises for safekeeping.

BENEFITS OF THE SAFE CUSTODY SERVICE

There are various benefits of entrusting your most important valuables with Standard Bank for safekeeping:

We have a variety of Safe Custody facilities, from bags and deed boxes (where your valuables are stored in a security-monitored safe or vault), to the Vault Locker and our leading-edge, automated SafeStore Auto facility, in selected branches.

Your valuables are secured in a monitored, fireproof environment.

However, while we endeavour in every way to keep our service fees competitive, an inflation-related increase will come into effect from **1 April 2018**.
